

Ross Lake Township

Annual Board of Appeal and Equalization Meeting

April 15, 2024

The meeting was called to order at 10:00 AM

Present at the meeting were:

Township Supervisors: Mark Caspers, Leo Offerman and William Smith

Crow Wing County Land Services: Gary Griffin and Sandra Brueland

Four Township property owners were present representing three properties and one write in appeal was received.

After review of each property and explanation by the County personnel it was determined by the board that no changes in property values should be made.

Gary Griffin explained that by State Statute the county value assessed to all properties must be within 95% to 105% of the actual value. Based on the 12 most recent sales in the Township all properties were sold within those percentages therefore the County's values were accurate within the guidelines.

The meeting was adjourned at 11:30 AM.
